**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer, and separately as a small business owner, I want to voice my support for broadband competition. I will be materially affected both at home and at my business if UNE-based competition is removed, both through higher monthly rates and through fewer competitive options to chose from. Competition through unbundled service is important to consumer choice and to maintaining competition in the marketplace.
